

KILCOSKAN NATIONAL SCHOOL TRAFFIC MANAGEMENT

This document is available to view on the School Website

www.kilcoskan.com

SPEED LIMIT

Please be aware that the road leading to the school has a speed limit of 50km/h.

PARKING

There is limited parking available at Kilcoskan National School so therefore designated parking is solely for the use of staff working in the school. Please note that specific parking arrangements have been made for children in our special classes. The following guidelines are in place for dropping off and picking children up from the school.

MORNING DROP OFF – Gates Open From 8:50am

The school yard is supervised from 8:50am. Children can be dropped off to school in the morning by using the set down area in front of the school or alternatively you can park your vehicle along the road and walk your child to the school gate. If you intend to spend any length of time at the school gate we ask that you park your vehicle as the set down area should not be used to park for any length of time.

AFTERNOON PICK UP @ 1:40 and 2:40pm

As there is a significant number of children leaving the school at the one time **NO PARKING** is permitted in the set down area at pick up times. This is to ensure the safety of all children and adults alike. We request you park your vehicle along the roadway and meet your child at the school gate.

KILCOSKAN NATIONAL SCHOOL

TRAFFIC MANAGEMENT

CLEAR WAYS

On the roadway in front of the school building there are yellow zig zag road markings. We ask you to respect these road markings and **DO NOT** park on them at any time. They allow for improved visibility of the road for both pedestrians and vehicles entering or leaving the school.

It is also requested that due consideration is given to speed and courtesy during all school movements at drop off and collection times.

Please share this information with anyone involved with dropping off or picking up your child from school.

I wish to thank you for your co-operation. If for any reason you need to discuss alternative parking arrangements please contact the school Principal and we will try our best to accommodate genuine cases.

Thank You
